### Re: Wellington Drive Technologies Rights Issue

The closing date for the one for four rights issue to existing shareholders was Friday 16 December 2005.

The issue has closed with entitlements and applications for oversubscriptions totaling approximately 130% of the maximum shares on offer under the Prospectus dated 17 November 2005.

Allotment of the maximum shares on offer, mailing of faster statements and trading in the new shares is expected to take place by 23 December 2005.

The Directors wish to thank shareholders for their continuing support.
